

My grandmother, Dorothy Rathbone (Fuller) Vawter, wife of William Arthur Vawter, was born in Chicago to Dr. Charles Gordon Fuller and his wife, Isabella Hunt (White) Fuller. Charles Gordon Fuller was born in Jamestown, ChautauquaCoNY to Frederick Augustus Fuller, Jr, who was the son of Frederick Augustus, Sr. of the town of Rutland, in RutlandCoVT. Frederick Augustus the first was the son of tavern keeper Roger Fuller of Hebron, TollandCoCT, who was himself a fifth generation descendant of Edward Fuller of the *Mayflower*.

For this file I have abstracted all the USCensus entries for my Fuller ancestors back to JamestownNY in 1850, plus a few households containing ancestral siblings, and before 1850 I have compiled all Fullers in the town(ship) of Rutland, RutlandCoVT from 1790-1840, and all Fullers in HebronCT from 1790-1820. Ancestors, per se, are **bold faced**. The abstracts themselves are in LucidaConsole typeface; editorial comments, like these, are in Garamond, or if within square brackets are in *Garamond italics*.

My abstracting conventions for the USCensuses are defined in detail "The USCensus & My Abstracting Formats".

The rightmost portion of this USCensus section appears to have been used as a tax list, though there are no headings. Occupations are given in the rightmost column for some men, however there is no occupation for Frederick Fuller's brother, Ozias, or for the probably unrelated Daniel.
